— CARAVAN PARK —

## A friendly family run caravan park in beautiful Mid-Wales

Parc Farm Caravan Park is located in the beautiful Tanat Valley on the banks of the River Tanat, with stunning views of the Berwyn Mountains. It's a perfect place to unwind and an ideal base for exploring the surrounding area.

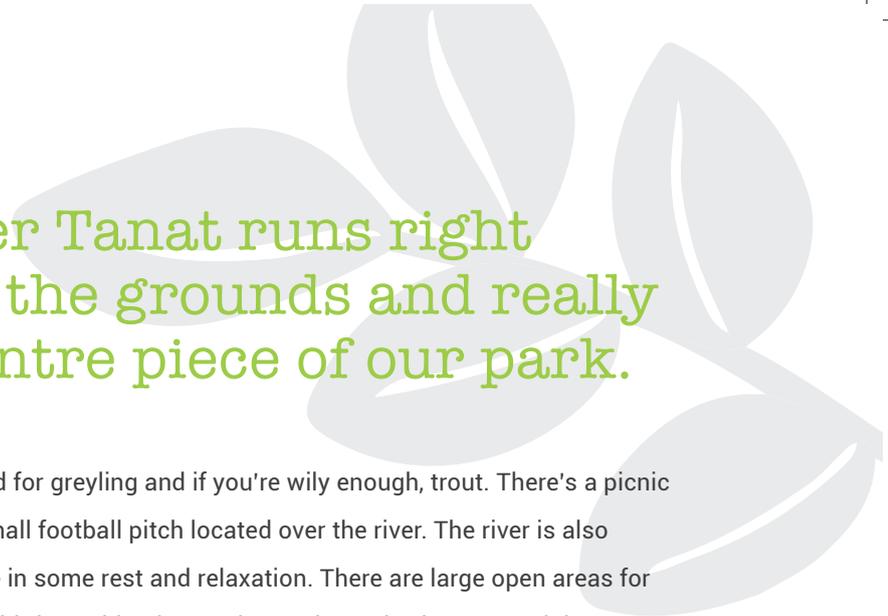

We are a friendly, peaceful park consisting of 65 holiday homes and a separate touring area for 22 touring caravans or motorhomes. Established over 50 years ago it's been run by the same family for 3 generations and we're grateful that a lot of our customers have stayed with us throughout that time.

*A visit to us offers so much more than...*

**JUST A PLACE TO STAY.**

## The River Tanat runs right through the grounds and really is the centre piece of our park.

The river can be fished for greyling and if you're wily enough, trout. There's a picnic area, play area and small football pitch located over the river. The river is also somewhere to indulge in some rest and relaxation. There are large open areas for walking and a spot of bird watching is popular on the park where you might spot an elusive King Fisher or hear the sounds of a curlew or cuckoo nearby.

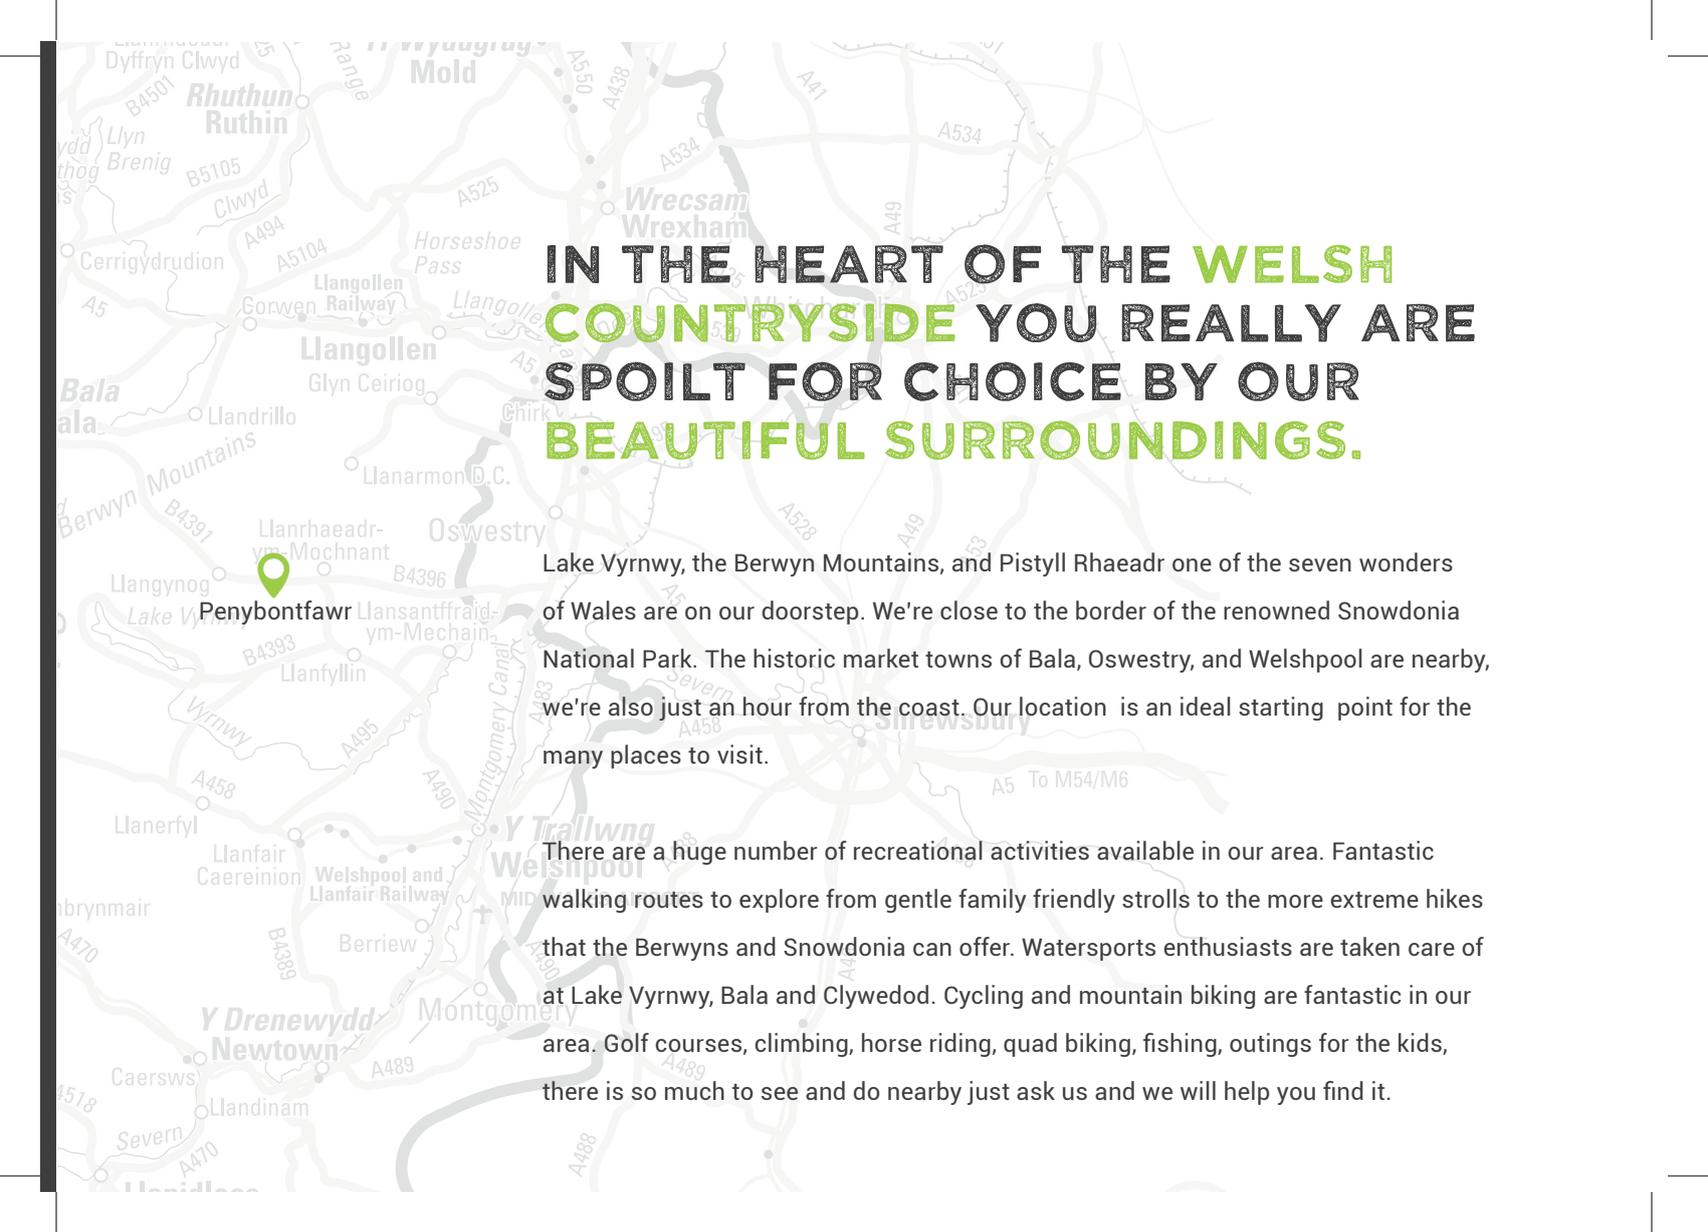

In terms of amenities we have a laundrette on site and wi-fi is available. We're also just a short stroll from the village of Penybontfawr where you'll find the local shop and pub.

*Relax, refresh...*

**AND ENJOY.**
